

**TAITO**

We have surpassed all others and arrived.

# RACING BEAT™

Four players  
at same time  
Additional  
"pit-in" feature

Isn't this machine a bit different?

# RACING BEAT™

Rerunning of the F1 Grand Prix, with a possibility of up to four players at the one time. Lost in the game spinning the steering wheel with sweating hands.

A number of machines in the game

A glance in the rear-vision mirror shows the distance away of the car behind
